(November 2, 2010 SOUTHERN ONTARIO) – The Mechanical Contractors Association Hamilton is pleased to announce their 2010-2011 board of directors. As a not for profit organization entering its 45th year of operation, MCAH represents Mechanical Construction industry companies in the south central Ontario region, proudly serving Hamilton, Wentworth, Halton, Lincoln, Wellington, Brant, Haldimand and Norfolk Counties.

Founded in 1966 as an accredited bargaining agency with the Ontario Labour Relations Board, the Mechanical Contractors Association Hamilton (MCAH) has provided support to Mechanical Construction industry companies and their suppliers through annual membership. Services include establishing community partnerships, the promotion of leadership excellence, industry education, fundraising and economic development reinvestment.

Under the leadership of returning President Paul Shewfelt, now entering his third term,* phenomenal growth has been achieved over the last two years. "We

have increased awareness in our community with promotions; education and associate commitments, and are a proud supporter of McMaster University, Hamilton Health Sciences Foundation and reinvesting in economic development initiatives. We have maintained our representation on various local, provincial and national committees to stay abreast of the changes impacting our member contractor operations, and to provide a voice to address the concerns of our member contractors. It has been a pleasure to be the President with such a strong and motivated board continuing to work on behalf of the interests of our member contractors, our industry, and our community. I am confident that we have the best people and processes within our association to provide our members with dedicated service for many years to come."(*2008 MCAH Organizational Growth 13.33%, *2009 Organizational Growth 34.9%)

The leadership of the board of directors governs the following association services:

- Education Programs and support through the Canadian Mechanical Contractors Education Foundation
- Training and Apprenticeship Programs
- Member Scholarships
- Support for the McMaster University Construction Chair and Student Chapter
- Government Liaison, Community Support and Partnerships
- Member Social Networking Opportunities

MCA Hamilton membership also provides valuable connections to Provincial, National and International associations through MCA Ontario, MCA Canada and MCA America.
